VETERANS CENTRAL WEST RAYNHAM SHQ

Veterans Central is a facility for Military veterans, serving personnel and families. A charity run by veterans for veterans. Since 2023 the charity has been restoring the former Station Headquarters at RAF West Raynham as an infrastructure for use by charities and as a hub for activities and socialisation, providing:

- A sense of purpose: Enabling you to achieve something as part of the team. Make a difference by joining with other veterans.
- Company and banter: Come and socialize with other veterans; a bit of banter, an exchange of stories, with a few cups of coffee and a slice of cake or two.
- Signposting to specific charities for advice and help.

Open all year 1000 to 1500:
Wednesday, Thursday, Saturday.
